

Need a ride to the Doctor? RAN can help!

WHO WE ARE: Naperville Seniors in Action d/b/a Ride Assist Naperville (RAN) is an Illinois nonprofit corporation qualified under Section 501(c)(3) of the Internal Revenue Code, with the mission of providing affordable and dependable transportation to medical appointments for Naperville seniors and their caregivers.

THE RAN PROGRAM: Carefully screened and thoroughly trained RAN volunteer drivers pick the senior up at home, drive them to their medical or dental appointment, ***wait with them***, and return them home again. **Drivers are available for appointments 8:30am – 5pm, Monday through Friday;** Saturdays can sometimes be accommodated. *New volunteers are always needed and welcome to apply.*

HOW DOES THE SERVICE WORK? Naperville seniors (age 60 and older) must complete an application prior to requesting their first ride. **Rides are available by appointment only; a minimum of 5 business days advance notice is required for each appointment.** *We ask for a \$12 donation for each round-trip ride.* No money is given to the driver and no tipping is allowed – an invoice is sent the following month.

RAN BOUNDARIES: We will cover the Greater Naperville area. **Both passenger and appointment must be located within our boundaries.** See this map on our website at rideassistnaperville.org.

RIDES COVERED: Any type of medical or dental appointment (*except procedures/surgery where anesthesia is administered*), including regular check-ups, pacemaker checks, blood tests/lab work, vision, hearing, dialysis, x-rays/scans, wound care, physical therapy and chemotherapy.
