## What a Year, What a Ride

Thank you for participating in Naperville's newest transportation option for seniors. It is also the only program where the drivers wait for the seniors during their medical appointment.

We are growing at a fast pace! We are getting new riders and new volunteers to help with the high demand. We look forward to helping our community this coming year. If you know of anyone looking to volunteer or if you know a fellow senior citizen in need of rides to medical appointments, please give them our information.

## Winter Ride Guidelines

Winter can be a very difficult time on the roads. There is a lot of judgement in deciding whether to go on a ride or not. We trust and support all our drivers and their decisions regarding the safety of our drivers and our clients. If inclement weather is in the forecast, the ride may be canceled. The driver or the office will contact you if this is the case.

No client will be penalized or charged for a ride they cancel due to the weather.

Please call the office and cancel the appointment with us if you prefer not to go out in bad weather and would like to reschedule.
