

Need a Ride to the Doctor?

RAN can help!

WHO WE ARE: Naperville Seniors in Action d/b/a Ride Assist Naperville (RAN) is a 501(c)(3) registered non-profit. Our mission is to provide affordable and dependable transportation to medical appointments for Naperville seniors and their caregivers.

THE RAN PROGRAM: Carefully screened, and thoroughly trained RAN volunteer drivers pick the senior up at home, driver them to their medical appointment, **wait with them**, and return them home again. Drivers are available for appointments 8:00am-5:00pm Monday through Friday; Saturdays can sometimes be accommodated. New volunteers are always needed and welcome to apply.

HOW DOES THE SERVICE WORK? Naperville seniors (age 60 and older) must complete an application prior to requesting their first ride. Rides are available by appointment only; a minimum of one-week advance notice is required for each appointment. We ask for a \$12 donation for each round-trip ride. No money is given to the driver and no tipping is allowed – an invoice is sent the following month.

RAN BOUNDARIES: We cover the Greater Naperville area. Seniors must live in Naperville. Their appointments must be located within our boundaries. See the boundary map on our website at www.rideassistnaperville.org.

RIDES COVERED: Any type of medical or dental appointment (except procedures/surgery where anesthesia is administered). This includes regular check-ups, pacemaker checks, blood work, hearing, vision, dialysis, x-rays/scans, wound care, physical therapy, and chemotherapy just to name a few.
